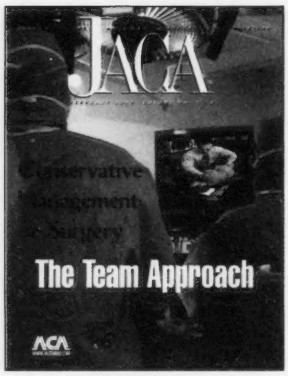
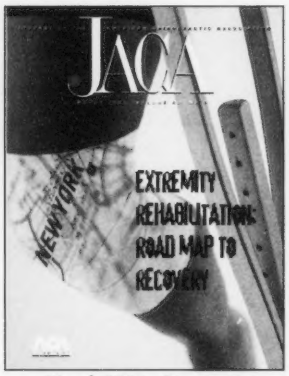
JACA 2003 Annual Index

Index to Volume 40
January–December 2003 JACA Covers for Volume 40

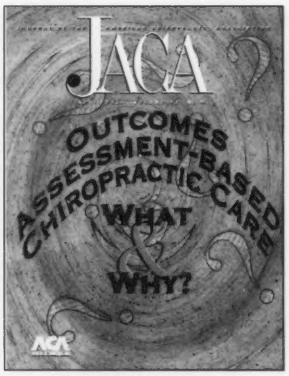
January 2003 – Joint Effort: Chiropractic Approach to the Elbow



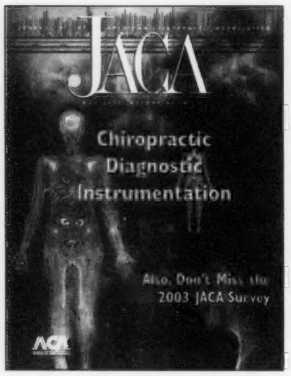
February 2003 – Conservative Management or Surgery: The Team Approach



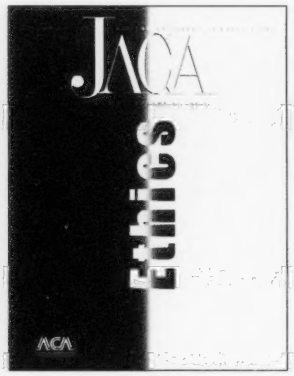
March 2003 – Extremity Rehabilitation: Road Map to Recovery



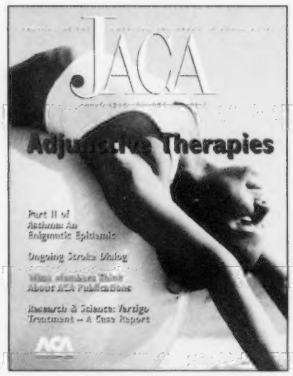
April 2003 – Outcomes Assessment-Based Chiropractic Care: What & Why?



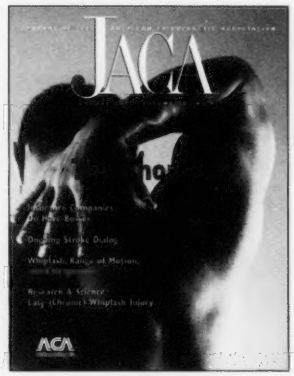
May 2003 – Chiropractic Diagnostic Instrumentation



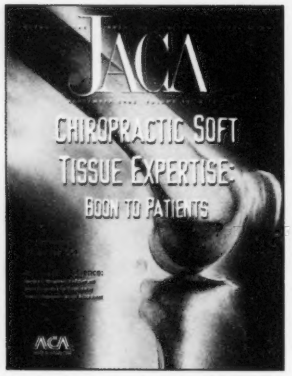
June 2003 – Ethics



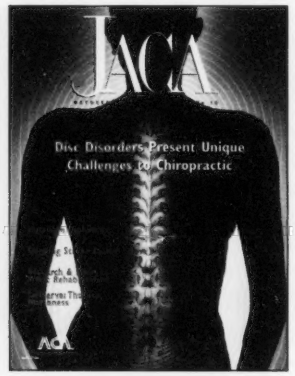
July 2003 – Adjunctive Therapies



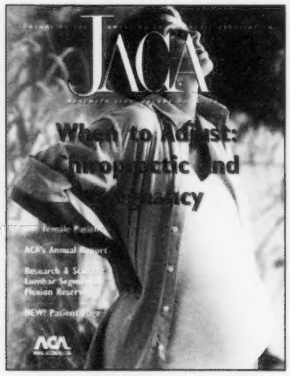
August 2003 – The Shoulder



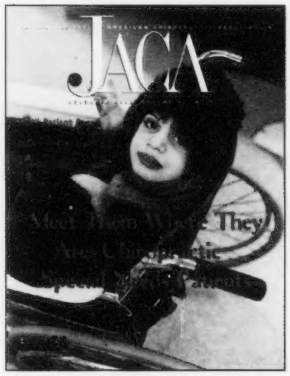
September 2003 – Chiropractic Soft Tissue Expertise: Boon to Patients



October 2003 – Disc Disorders Present Unique Challenges to Chiropractic



November 2003 – Chiropractic and Pregnancy



December 2003 – Special Needs Patients

Annual Index

Subject Index

A

Adjunctive Therapies
- A Bigger Toolbox: Adjunctive Therapies Expand the Chiropractic Repertoire 40(7):10-20

Annual Report
- ACA's 2003 Annual Report [Cuneo GF; Feather Clancy F; Fuchs C; Hymes J; Jackson PS; Wanda J] 40(11):40-50

Asthma
- Asthma—an Enigmatic Epidemic [Schetchikova NV] 40(6):22-29; 40(7):30-37
- "Truth in Science: the Right to Know and the Freedom to Decide"—3rd International Public Conference on Vaccination [Schetchikova NV] 40(2):30-37

Atypical Scheuermann's Disease
- Chiropractic Management of a Patient with Severe Chronic Back Pain Complicated by Atypical Scheuermann's Disease: A Case Report [Adams A; Mueller H] 40(9):34-38

Autism
- "Truth in Science: the Right to Know and the Freedom to Decide"—3rd International Public Conference on Vaccination [Schetchikova NV] 40(2):30-37

C

Case Discussions
- Case Question: Thoracic Numbness [Kline CM [editor]] 40(10):48-49
- ListServe: Doctor to Doctor, Help with a Case [Kline CM[editor]] 40(9):46-47

Chairman's Message
- Chiropractic's Identity in the 21st Century [McClelland GB] 40(12):8-9
- Just One . . . That's All We Ask [Edwards JD] 40(6):8-9
- Learning from George W. Bush [Edwards JD] 40(2):6-7
- Scoring Touchdowns from the Five-Yard Line [Edwards JD] 40(10):8-10
- The "Silver Linings" in the Trigon "Cloud" [Edwards JD] 40(8):8-9
- The VA Subluxation Issue: Correcting the Record [Edwards JD] 40(4):6-7

Chiropractic History
- ACA's Legislative Success Reputation Grows: National Health Service Corps Bill Signed [Pena A] 40(2):23-25
- In Appreciation: William Meeker, MPH [Kline CM;Winkler K] 40(9):20
- In Remembrance of Dr. Edward L. Maurer [Kline CM] 40(5):6
- Seeking Items That Say, "This Was—or Is—Chiropractic" 40(11):39
- Tremendous Challenge Presented by Ineptitudes of the Food Processing Industry [Parrott GD] 40(3):46-48
- Tribute to a Kind, Just, and Scholarly Judge [McAndrews GP] 40(2):16-17

Chiropractic Philosophy & Clinical Technique
- Chiropractic Adjusting and the "Aging" Patient [Killinger LZ] 40(11):26-28
- Chiropractic Listings [Cooperstein R; Good CJ] 40(4):30-32; 40(5):34-36; 40(7):38-40; 40(8):40-43
- Distraction/Flexion Side-Posture Manipulation for the Treatment of Low Back Pain and Lumbopelvic Dysfunction [Gray DC; Montgomery PR] 40(10):36-40
- Full-Spine Specific Chiropractic Technique [Claus C; Cooperstein R; Thomas R] 40(1):20-22
- Mechanical Traction as a Means of Reducing Subluxations of the Lumbar Lordosis [Troyanovich SJ] 40(12):22-25
- Rationale and Approach to Internal Coccyx Adjustments [St. Claire SD] 40(2):38-40
- *Sapere Aude*: Dare to Know [Feise RJ] 40(9):40-42
- The Importance of Repeated Measurements [Cooperstein R] 40(6):30-31
- Upper-Cervical Technique, Historically Considered [Cooperstein R] 40(3):40-44

Chiropractic Surveys
- JACA Survey of Members on Future Journal Format 40(9):22-23
- What Do Chiropractors Really Think? [Kline CM] 40(5):30-33
- What Members Think about ACA [Kline CM] 40(6):40-41
- What Members Think of ACA Publications [Kline CM] 40(7):48-51

Chronic Back Pain
- Chiropractic Management of a Patient with Severe Chronic Back Pain Complicated by Atypical Scheuermann's Disease: A Case Report [Adams A; Mueller H] 40(9):34-38

D

Diagnostic Instrumentation
- Chiropractic Diagnostic Instrumentation 40(5):10-18
- Inter-examiner Reliability of the Circumduction Test for General Foot Mobility/Joint Dysfunction [Brantingham JW; Parkin-Smith G; Van der Muelen A; Weston P; Wood TG] 40(6):32-39
- Range-of-Motion Testing: A Fresh Look [Miller KJ] 40(10):42-45

Diplomates
- Diplomate American Chiropractic Board of Nutrition (DACBN) 40(10):28-30

Disc Disorders
- Disc Disorders Present Unique Challenges to Chiropractic 40(10):12-22

E

Ethics
- Chiropractic Ethics in a Changing World 40(6):10-19

Extremities
- A Chiropractic Case Study in Post-Surgical Wrist Rehabilitation [McDermott AM] 40(10):32-34
- Elbow Rehabilitation [Kurth D] 40(4):40-44
- Extremity Rehabilitation: Road Map to Recovery 40(3):8-15

Annual Index

• Inter-examiner Reliability of the Circumduction Test for General Foot Mobility/Joint Dysfunction [Brantingham JW; Parkin-Smith G; Van der Muelen A; Weston P; Wood TG] 40(6):32-39
• Joint Effort: Chiropractic's Approach to the Elbow 40(1):8-15
• One Is Not Like the Other: Leg-Length Inequality 40(2):44-46
• Shouldering the Burden 40(8):10-18
• Take Steps to Prevent Surgery [Austin WF] 40(3):16-18

F
Falls Prevention
• Chiropractic Involvement in Preventing Falls among the Elderly [Haneline MT] 40(4):24-29
Forensic Sciences
• Test Yourself Archives [Cupon LN; Jahn WT] 40(3):54; 40(4):54; 40(6):54; [Hopkins C] 40(1):54; 40(2):54

G
Geriatrics
• Chiropractic Adjusting and the "Aging" Patient [Killinger LZ] 40(11):26-28
• Chiropractic Involvement in Preventing Falls among the Elderly [Haneline MT] 40(4):24-29

H
Home Exercise
• Factors Affecting Compliance to Chiropractic Prescribed Home Exercise: A Review of the Literature [Milroy P; O'Neil G] 40(1):38-46
Hormone Replacement Therapy
• Patient Page: Hormone Replacement Therapy [Wyatt LH] 40(12):27-28

I
Independent Medical Examination
• Independent Medical Examinations and Workers' Compensation [Cupon LN; Jahn WT] 40(1):24-26
Insurance, Coding, Reimbursement
• Chiropractic Ethics in a Changing World 40(6):10-19
• Chiropractic Soft-Tissue Expertise: Boon to Patients 40(9):10-18
• Evaluation of the Significance of Joint Dysfunction and Its Impact on the Reporting of Manipulation in Rehabilitative Encounters [Christensen KD; Miscoe MD] 40(9):28-31
• Insurance Companies Do Have Bosses [Jackson PS] 40(8):20-21
Integrating Chiropractic into Mainstream Medicine
• Integrating Chiropractic into Mainstream Medicine 40(4):18-20

J
Joint Dysfunction
• Evaluation of the Significance of Joint Dysfunction and Its Impact on the Reporting of Manipulation in Rehabilitative Encounters [Christensen KD; Miscoe MD] 40(9):28-31
• Inter-examiner Reliability of the Circumduction Test for General Foot Mobility/Joint Dysfunction [Brantingham JW; Parkin-Smith G; Van der Muelen A; Weston P; Wood TG] 40(6):32-39

L
Listserve Overview
• ListServe: Doctor to Doctor [Kline CM [editor]] 40(8):48-50
Lumbar Segmental Flexion Reserve
• Lumbar Segmental Flexion Reserve in Side-Posture Pelvic Manipulation: Segmental Flexion Reserve in Pelvic HVLA [Kettner NW; Wiegand RA; Zhang J] 40(11):32-37

M
Medical Necessity
• Medical/Chiropractic Necessity: A Reviewer's Perspective [Bailey RA; Misek SD] 40(1):16-19
Multidisciplinary Clinic
• Chiropractic Patient Management in the Multi-Disciplinary Setting [Strom MH] 40(1):30-31

N
Nutrition
• "Truth in Science: the Right to Know and the Freedom to Decide"—3rd International Public Conference on Vaccination [Schetchikova NV] 40(2):30-37
• What to Adjust: Chiropractic and Pregnancy 40(11):8-16

O
Orthopedics
• Test Yourself Archives [Irwin JG] 40(1):54; 40(2):54; 40(3):54; 40(4):54; 40(6):54-0
Outcomes Assessment
• Outcomes Assessment-based Chiropractic Care: What and Why? 40(4):8-16

P
Patient Education
• Patient Page: Chiropractic Advice for Moms-to-Be [Feather Clancy F] 40(11):29-30
• Patient Page: Hormone Replacement Therapy [Wyatt LH] 40(12):27-28
Patient Management
• Chiropractic Ethics in a Changing World 40(6):10-19
• Chiropractic Patient Management in the Multi-Disciplinary Setting [Strom MH] 40(1):30-31
• Health Theory and Chiropractic Practice: What Makes Your Patients Tick? [Evans, Jr. MW] 40(6):42-44
• Meet Them Where They Are: Chiropractic and Special-Needs Patients 40(12):10-19
Pediatrics
• Asthma—an Enigmatic Epidemic [Schetchikova NV] 40(6):22-29; 40(7):30-37
• "Truth in Science: the Right to Know and the Freedom to

Decide"—3rd International Public Conference on Vaccination [Schetchikova NV] 40(2):30-37

Practice Management and Financial Advice

- College Funds: A Good Investment [Sanger C] 40(6):20-21
- Financial Advice: The Search Continues [Tanner JD] 40(1):34-36
- Legacy Creation through Endowment [Slabaugh DE] 40(2):26-27
- New Chiropractic Response for Corporate Health Care [Auppl EL] 40(5):40-45
- Not the Retiring Type: Retirement Planning for Doctors of Chiropractic 40(2):18-22
- Protect Your Credit History: What You Need to Know—and Do [Kline CM] 40(4):38-39
- Retirement Plans for DCs [Tanner J] 40(9):24-26

Pregnancy

- Patient Page: Chiropractic Advice for Moms-to-Be [Feather Clancy F] 40(11):29-30
- The Female Patient: Enhancing and Broadening the Chiropractic Encounter with Pregnant and Postpartum Patients [Benizzi DiMarco D] 40(11):18-24
- What to Adjust: Chiropractic and Pregnancy 40(11):8-16

President's Page

- 2003: A New Vision, a New Beginning [Wills DD] 40(1):6-7
- Our Image Is Our Future [Wills DD] 40(5):7-8
- Reflections of a President [Wills DD] 40(9):8-9
- The Last Frontier [Wills DD] 40(7):8-9
- Why Don't We All Drive Buicks? [Wills DD] 40(3):6-7

R

Radiology

- The Role of the ACRRT [Maurer EL] 40(2):42

Range-of-Motion Testing

- Range-of-Motion Testing: A Fresh Look [Miller KJ] 40(10):42-45

Rehabilitation

- A Chiropractic Case Study in Post-Surgical Wrist Rehabilitation [McDermott AM] 40(10):32-34
- Elbow Rehabilitation [Kurth D] 40(4):40-44
- Evaluation of the Significance of Joint Dysfunction and Its Impact on the Reporting of Manipulation in Rehabilitative Encounters [Christensen KD; Miscoe MD] 40(9):28-31
- Extremity Rehabilitation: Road Map to Recovery 40(3):8-15

Research & Science

Case Report

- A Chiropractic Case Study in Post-Surgical Wrist Rehabilitation [McDermott AM] 40(10):32-34
- Chiropractic Management of a Patient with Severe Chronic Back Pain Complicated by Atypical Scheuermann's Disease: A Case Report [Adams A; Mueller H] 40(9):34-38
- Treatment of Vertigo with a C2 Chiropractic Adjustment: a Case Report [Wicks TA] 40(7):26-29

Literature Review

- Internal Carotid Artery Dissection Following Chiropractic Manipulation: Clinical Features and Mechanisms of Injury [Croft AC; Haneline MT] 40(5):20-24
- Late (Chronic) Whiplash Injury: Public Health Perspectives Amidst a Controversial Literature [Baric JJ; Centeno C; Croft AC; Freeman MD; Haneline M; Herring P] 40(8):26-32
- Spinal Palpatory Diagnostic Procedures Utilized by Practitioners of Spinal Manipulation: Annotated Bibliography of Content Validity and Reliability Studies [Adams AH; Dickerson V; Mishra S; Murphy L; Najm W; Reinsch S; Seffinger M] 40(12):32-42

Original Contribution

- Inter-examiner Reliability of the Circumduction Test for General Foot Mobility/Joint Dysfunction [Brantingham JW; Parkin-Smith G; Van der Muelen A; Weston P; Wood TG] 40(6):32-39
- Lumbar Segmental Flexion Reserve in Side-Posture Pelvic Manipulation: Segmental Flexion Reserve in Pelvic HVLA [Kettner NW; Wiegand RA; Zhang J] 40(11):32-37

Reviews

Book Review

- Best Practices in Clinical Chiropractic by Robert D. Mootz, and Howard Vernon [Savoie SM] 40(8):46
- Crossing the Quality Chasm [Bluestein P] 40(4):48-50 Sports Chiropractic [Savoie SM] 40(4):46-0

Conference Abstracts

- World Federation of Chiropractic's Seventh Biennial Congress: The Cervical Spine & Sports Chiropractic [Kline CM] 40(7):42-46

Journal Review

- Analysis of Age-Related Medical Attitudes toward CAM [Murray K] 40(5):46
- BMJ: Manual Therapy Beats Out Traditional Treatment 40(8):44-0
- Can You Predict a Favorable Treatment Outcome after the First Chiropractic Visit? [Spresser K] 40(1):32
- From the Foundation for Chiropractic Education & Research: Response to Meta-analysis in June 23, 2003, Annals of Internal Medicine [Kline CM] 40(9):44-45
- Journal Review [Kline CM] 40(6):46
- Journal Review [Wyatt LH] 40(12):20-21

S

Soft Tissue

- Chiropractic Soft-Tissue Expertise: Boon to Patients 40(9):10-18

Sports Injury & Physical Fitness

- Mountain Madness: Ski and Snowboard Injuries 40(2):48-51
- Spine and Nerve Root Compression in Sports [Lee K] 40(4):34-36
- Test Yourself Archives [Santiago P] 40(1):54; 40(2):54; 40(3):54; 40(4):54; 40(6):54

State Chiropractic Associations

- Top Association Publications Carry Off Awards [Kline CM] 40(10):11

Annual Index

Stroke: Ongoing Dialog
• A Response to the Smith et al. Study on the Association of Spinal Manipulation and Vertebral Artery Dissection [Haneline MT; Lewkovich G] 40(10):24-27
• Cerebral Vascular Accidents Associated with Cervical Manipulation: Another View [Lauretti WJ] 40(3):31-38
• Cervical Manipulation and Stroke: A Reply to Drs. Calvino and Holsworth [Good C] 40(3):30-34
• Continued Misuse of the Medical Literature Regarding Vertebral Basilar Accidents: A Closer Look at the Rothwell et al. Study [Haneline MT; Lewkovich G] 40(8):22-24
• CVAs and Manipulation—Response to Drs. Good and Lauretti [Calvino N] 40(5):28-29
• Internal Carotid Artery Dissection Following Chiropractic Manipulation: Clinical Features and Mechanisms of Injury [Croft AC; Haneline MT] 40(5):20-24
• "Manipulopathy": the Risk of Cervical Arterial Dissection, Cerebrovascular Accident, and Chiropractic Manipulative Therapy. [Croft AC] 40(7):22-25
Surgery Prevention
• Disc Disorders Present Unique Challenges to Chiropractic 40(10):12-22
• Surgery vs. Conservative Management: The Team Approach 40(2):8-14
• Take Steps to Prevent Surgery [Austin WF] 40(3):16-18

V
Vaccination Research
• "Truth in Science: the Right to Know and the Freedom to Decide"—3rd International Public Conference on Vaccination [Schetchikova NV] 40(2):30-37
Vertigo
• Treatment of Vertigo with a C2 Chiropractic Adjustment: a Case Report [Wicks TA] 40(7):26-29

W
Wellness Promotion
• Health Promotion and Chiropractic: Act Now [Evans, Jr. MW] 40(3):22-24
• Industrial Production at Any Age [Murphy EJ] 40(5):48
• New Chiropractic Response for Corporate Health Care [Auppl EL] 40(5):40-45
Whiplash
• Late (Chronic) Whiplash Injury: Public Health Perspectives Amidst a Controversial Literature [Baric JJ; Centeno C; Croft AC; Freeman MD; Haneline M; Herring P] 40(8):26-32
• Whiplash, Range of Motion, and Chiropractic [Stember L] 40(8):34-36
Workers' Compensation
• Independent Medical Examinations and Workers' Compensation [Cupon LN; Jahn WT] 40(1):24-26
